PERSONAL INFORMATION

Name, Family Name	Nikoloz Tushabramishvili
Date of birth	09. 01. 1958
Contact Information	(+995 55) 23 16 80 (Mob), (+995 55) 77 26 20 79 (Mob); (+995 32) 23 16 80 (Home) e-mail: nikoloz_tushabramishvili@iliauni.edu.ge nikolozt@hotmail.com

EDUCATION & PROFESSIONAL TRAINING

• Dates (from – to) • Name and type of organisation • Faculty/Training/Course • Type of qualification awarded	1974-1979 Tbilisi State University Faculty of the History of Oriental The historian, Archaeologist
• Dates (from – to) • Name and type of organization • Faculty/Training/Course • Type of qualification awarded	1981-1984 Tbilisi State University Faculty of History. Post-Graduate student of the Tbilisi State University. MA Archaeologist. Specialist of the Paleolithic Age
• Dates (from – to) • Name and type of organisation • Faculty/Training/Course • Type of qualification awarded	1986-87 Institute of Archeology. Leningrad (St-Peterburg) Training
• Dates (from – to) • Name and type of organisation • Faculty/Training/Course • Type of qualification awarded	2006 Eurasia Foudation Management Certificate of Course Attendance (Introduction to management systems). Cultural Heritage Manager
• Dates (from – to)	2006

• Name and type of organisation • Faculty/Training/Course • Type of qualification awarded • Dates (from – to) • Name and type of organisation	Eurasia Foudation Audit Certificate of Course Attendance (Introduction to compliance auditing of the pipeline project). Audit 2003-2004 BP (British Petroleum) Training in Environmental Awareness and Cultural Heritage Management.
• Dates (from – to) • Name and type of organisation • Faculty/Training/Course • Type of qualification awarded	1998 Alliance Français de Tbilisi French language Certificate of Course Attendance of the French language. III level

EMPLOYMENT

• Dates (from – to) • Employer	Since 2014 Ilia State University. School of Arts and Sciences. Director of the Center for Archaeological and Paleoenvironment Researches
• Dates (from – to) • Employer • Rank/Position held	Since 2013 Ilia State University. Faculty of Engineering. Institute of Earth Sciences Director of the Center for Researches of Archaeology, Paleoenvironment and Bio-diversity.
• Dates (from – to) • Employer • Rank/Position held	Since 2009 Ilia State University. Faculty of Engineering. Institute of Earth Sciences Full Professor. Director of the Centre for Paleoenvironment Reconstruction and Archaeological Researches at Ilia State University
• Dates (from – to) • Employer • Rank/Position held	2000-2005 Tbilisi State University. Department of History of Georgian Culture Senior researcher
• Dates (from – to) • Employer • Rank/Position held	1983-2000 Tbilisi State University. Department of Archaeology Senior researcher

• Dates (from – to)	2003-2004, 1988-1992
• Employer	Centre for Archaeological Researches.
• Rank/Position held	Senior researcher
• Dates (from – to)	1992-2012
• Employer	Georgian National Museum.
• Rank/Position held	Senior researcher
• Dates (from – to)	2003, 2006, 2010
• Employer	Musee d' Histoire Naturelle. Institut de Paleontologie Humain
• Rank/Position held	Inviting Professor
• Dates (from – to)	1992-1994
• Employer	University “Gaenati”. Department of History
• Rank/Position held	Professor

PUBLICATIONS

BOOK&BOOK CHAPTERS

1. 2017. Tushabramishvili. N., Gabekhadze B., Mamiashvili V. Explanatory Dictionary of the Technology and Terminology of Paleolithic knapped Stone (Georgian-English-French). « Mtsignobari » Publish house, TB ; pp. 2-132
2. 2017. Tushabramishvili. N. (Z. Lejava K.Tsikarishvili, G. Dvalashvili). Karstic Caves of Chiatura Municipality. (In Georgian)
3. 2014. Moncel M.-H., Pleurdeau D., Pinhasi P., Mgeladze A., Yeshurun R., Tushabramishvili N., Agapishvili T., Jennings R., Higham T., Lordkipanidze D. submitted. New insights into the Lower and Middle Palaeolithic in Georgia. In: V.P. Liubin Festschrift
4. 2004. Adler, D.S., Tushabramishvili, N. Middle Palaeolithic Patterns of Settlement and Subsistence in the Southern Caucasus. In Middle Palaeolithic Settlement Dynamics, edited by N.J. Conard, Tübingen, pp. 91–132. Publications in Prehistory, Kerns Verlag Tübingen.
5. 2004. Bar-Oz, G., Adler, D.S., Vekua, A., Meshveliani, T., Tushabramishvili, N., Belfer-Cohen, A., Bar-Yosef, O. Faunal exploitation patterns along the southern slopes of the Caucasus during the Late Middle and Early Upper Palaeolithic. In Colonisation, Migration, and Marginal Areas. A Zooarchaeological Approach, edited by M. Mondini, S. Muñoz, and S. Wickler, pp. 46–54. Oxford: Oxbow Books.
6. 2002. Bar-Oz, G., Adler, D.S., Meshveliani, T., Tushabramishvili, N., Belfer-Cohen, A., Bar-Yosef, O. Middle and Upper Palaeolithic Foragers of the Southwest Caucasus: New Faunal Evidence from Western Georgia. In Problemy kamennogo veka Srednei i

Tsentral'noi Azii (Problems of the Stone age in Middle and Central Asia), edited by A.I. Krivoshepin, pp. 225–231. Institut Arkheologii i Etnografii SO RAN, Novosibirsk.

7. 2002. N. Tushabramishvili.. Caves of Georgia-The Sites of Prehistoric Humans. In English, French and Georgian. A Guid-Book. Tbilisi
8. 1994. N.Tushabramishvili. : Middle Paleolithic of Western Georgia and its Transition to the Upper Paleolithic. PHD Thesis. Tbilisi, Georgia

OTHER ACTIVITIES AND MEMBERSHIP

1. From 2013: UNESCO-IUGS-IGCP-INQUA. INQUA 501 - IGCP 521 Six Plenary Meeting IGCP (International Geoscience Programme) 610 "From the Caspian to Mediterranean: Environmental Change and Human Response during the Quaternary". The member of Organizing and Executive Committee. The Leader of the archaeological working group of the Programme.
2. The member of ESHE
3. The member of UISPP
4. The member of SAA
5. The member of PALEOANTHROPOLOGY SOCIETY
6. Since 2012. The member of the scientific board of the Faculty of Engineering
7. Since 2012. The member of Archaeological Commission at the Ministry of Culture of Georgia
8. Since 2009. The member of the scientific board of the Faculties of Ilia University
9. Georgian National Museum. The Member of the Scientific Council for Prehistorian Sciences.
10. The Journal of the Georgian National Museum "Moambe", Series of Prehistory. The member of Editors Council
11. 2002-2009. The Head of the Association "The Specialists of the Old Stone Age".
12. From 2003. The Member of the Association "Archaeo-Astronomy"
13. From 2010 The Director of LTD "Cultural Resources Exploration Center"
14. 1984-2008. The Member of Alpinistic Club "Iety".
15. 1981-2003. The Member of the Rescue Team (Mountaineers)

ARCHEOLOGICAL EXPEDITIONS

1. Since 1993. Director of different annual archaeological expeditions in Western Georgia
2. Since 2014. Archaeological Expedition in Eastern Georgia (Gurjaani Municipality).
2. 2012. Tusheti Salvage Archaeological Expedition (Eastern Georgia).
Director
3. 2012. Archaeological expedition in Kvareli Municipality (Eastern Georgia). Excavations Dolochopi archaeological site (Head-N. Bakhtadze)
4. 2012. Kisiskhevi archaeological expedition (Telavi district, Eastern Georgia). Telavi State University and Ilia State University
5. 2012. Ruispiri Survey Expedition in Eastern Georgia (Telavi District).
Director
6. 2008 Member of archaeological expedition in Khovle (Kaspi district) (Head-V. Shatberashvili). Grant and Financial Support-USA Embassy.
7. 2002. Akhaltsikhe-Orchosani excavations-B.P. (Head-A.Ordjonikidze).
8. 2002. Tetrtskaro excavations-B.P. (Head-Z.Shatberashvili).
9. 2000 Member of the archaeological expedition in Tautavel-Arago Cave (France)
10. 1991. Member of archaeological expedition in Dmanisi (South Georgia)
11. 1990. Member of the archaeological expedition of Novosibirsk State University in Mountain Altay (South Siberia).
12. 1988. Member of archaeological expedition in Kareli (Eastern Georgia)
13. 1986. Member (as an archaeologist) of the monument reconstructing expeditions of the Cultural Heritage Protecting Department of Georgia (Lamiskhana, Kaspi, Kvatakhevi-Eastern Georgia; Shakhmarlo -South Georgia).
14. 1978. Member of archaeological expedition in Abkhazia (Aphiancha Cave)
15. 1977-78. Member of archaeological expedition in South Ossetia (Tsona Cave)

GRANTS RECEIVED AND
PROJECTS

- 1) 2015-2016. Shota Rustaveli National Science Foundation. Archaeological Encyclopaedic Dictionary of Stone Tools
- 2) Since 1993 to present. The Researches of Paleolithic in the Caves of Western Georgia. The Projects of Academy of Sciences of Georgia, Georgian State Museum and Ilia State University
- 3) 2012. Human Beings and the Environment. Adaptation of Human Being and Fauna toward Climate Change on the Basis of Multidisciplinary Researches of "Undo Cave" of Western Georgia Since Paleolithic until Present Days. Foundation « Open Society Georgia ». Director.
- 4) 2012. The Rustaveli Foundation travel grant to participate in the Symposium for UISPP Commission 8 "Upper Palaeolithic". Liege, Belgium
- 5) 2011 to present. International Project of research of Bondi Cave (Ilia State University, Tbilisi, Georgia and the Muséum national d'Histoire Naturelle, Paris). Director
- 6) 2010. International Project of excavation in Undo Cave. Ilia State University-Gaeorgian National Museum-Cork University (Ireland), Director
- 7) 2009-2010 Science Foundation of Ireland (SFI) project : The Evolutionary History of Neanderthals and Their Potential Interface with Early Modern Humans in the Southern and Northern Caucasus (Co-director)
- 8) 2009-2010. RESET project (RESponse of humans to abrupt Environmental Transitions). Natural History Museum, London; Oxford University. Great Britain.
- 9) 2009. Urgent, salvage Archaeological Excavations in Khovle. USA Embassy.
- 10) 2004-2007. The Middle to Upper Paleolithic Transition in Georgia. The Georgian State Museum's Task Programme. Director.
- 11) 2006-2007. The Research of Paleolithic Sites in Western Georgia. Foundation "Qartu" Director
- 12) 2006 to present. Lower to Middle Paleolithic Transition in Southern Caucasus and Eastern Europe. Georgian State Museum, Natural History Museum of France, Institute de Paléontologie Humaine, Paris. Director
- 13) 2006 to present. Final Lower Paleolithic and Early Middle Paleolithic and Middle to Upper Paleolithic Transition in Southern Caucasus. (Ilia State University, Natural History Museum of France). Director.
- 14) 2002-2006. The Director of the Project of Georgian Academy of Sciences "The Local Cultures and the Paleo-ecology of Lower-Middle-Upper Paleolithic Transitional Period of Georgia.
