

CURRICULUM VITAE

1. **Name:** Bidzina Kapanadze

Email: bidzina_kapanadze@iliauni.edu.ge

bkapanadze1@abao.ge

2. **Education:**

- 2007-2010 - Ilia State University (PhD courses); degree: PhD in Astrophysics
- 2000-2003 - Javakhsivili State University (postgraduate courses)
- 1998 - 2000 - Javakhsivili State University (master courses; faculty of mechanics and mathematics; specialty: astronomy; degree: master of astronomy)
- 1993-1998 - Akhaltsikhe Branch of Javakhsivili State University (bachelor courses; faculty of mathematics and astronomy; degree: bachelor of mathematics and astronomy)

3. **Work experience:**

- 2016 - present - Ilia State University, associate professor at the School of Natural Sciences and medicine
- 2008 - 2016 - Ilia State University, assistant- professor at the School of Engineering and Natural Sciences
- 2019- present - E. Kharadze National Astrophysical Observatory, Abastumani, Georgia, senior scientist.
- 2007 - 2019- Abastumani Astrophysical Observatory at Ilia State University; researcher, research consultant
- 2006-2007 - Abastumani Astrophysical Observatory, scientist
- 2001--2006 Abastumani Astrophysical Observatory, fellow scientist

4. **Participation in research projects**

(see attachment)

5. **Publications**

(see attachment)

6. **Participation in high-level international workshops**

(see attachment)

7. Editorial Membership

- Galaxies

8. Refereeing:

- The Astrophysical Journal
- Monthly Notices of Royal Astronomical Society
- Research in Astronomy and Astrophysics

9. Supervising PhD dissertations:

- Dr Sergo Kapanadze (“Investigation of the Blazar X-Ray Flux Variability in the 0.3-10 keV Range; defense: March 2022)

10. Chairman of PhD councils

3 dissertations defended at Ilia State University (during 2019-2023)
