

# CURRICULUM VITAE

## PERSONAL INFORMATION

Name, Family Name

**Nikoloz Tushabramishvili**

**Marital status**

Married,

**Languages**

Georgian---native  
Russian---fluent  
English--- fluent  
French--- Communicative  
Arabic---Writing and reading with dictionary

## EDUCATION & PROFESSIONAL TRAINING

- Dates (from – to)
  - Name and type of organisation
  - Faculty/Training/Course
  - Type of qualification awarded
  - Dates (from – to)

  - Faculty/Training/Course
  - Type of qualification awarded
- 1974-1979**  
**Tbilisi State University**  
Faculty of the History of Oriental  
Historian
- 1981-1984**  
**Tbilisi State University**  
Faculty of History. Post-Graduate student of the Tbilisi State University. MA  
Archaeologist. Specialist of the Paleolithic Age
- 1986-87**  
**Institut of Archeology. Leningrad (St-Peterburg)**  
Training
- 2006**  
**Eurasia Foudation**  
Management  
Certificate of Course Attendance (Introduction to management systems).  
Cultural Heritage Manager
- 2006**  
**Eurasia Foudation**  
Audit  
Certificate of Course Attendance (Introduction to compliance auditing of the  
pipeline project). Cultural Heritage Audit
- 1998**  
**Alliance Français de Tbilisi**  
French language

• Type of qualification awarded	Certificate of Course Attendance of the French language. III level
• Dates (from – to)	<b>2003-2004</b>
• Name and type of organisation	BP (British Petroleum) Training in Environmental Awareness and Cultural Heritage Management.

### EMPLOYMENT

• Dates (from – to)	<b>1979-1981</b>
• Employer	Department of Monument Protection. Department of Archaeology
• Rank/Position held	Scientific researcher
• Dates (from – to)	<b>1981-2000</b>
• Employer	<b>Tbilisi State University.</b> Department of Archaeology
• Rank/Position held	Senior researcher, lecturer
• Dates (from – to)	<b>2000-2005</b>
• Employer	<b>Tbilisi State University.</b> Department of History of Georgian Culture
• Rank/Position held	Senior researcher, lecturer
• Dates (from – to)	<b>1988-1992, 2003-2004</b>
• Employer	Centre for Archaeological Researches.
• Rank/Position held	Senior researcher
• Dates (from – to)	<b>1992-2012</b>
• Employer	<b>Georgian National Museum.</b>
• Rank/Position held	Senior researcher
• Dates (from – to)	<b>1992-1994</b>
• Employer	<b>University “Gaenati”.</b> Department of History
• Rank/Position held	Professor
• Dates (from – to)	<b>2003-2005</b>
• Employer	<b>British Petroleum.</b> Department of Cultural Heritage and Environment
• Rank/Position held	Field Officer
• Dates (from – to)	<b>Since 2006</b>
• Employer	<b>British Petroleum.</b> Department of Cultural Heritage and Environment
• Rank/Position held	Expert-consultant of Cultural Heritage and Environment
• Dates (from – to)	<b>2003, 2006, 2010</b>
• Employer	<b>Musee d’ Histoire Naturelle. Institut de Paleontologie Humain</b>
• Rank/Position held	Inviting Professor
• Dates (from – to)	<b>2008-2014</b>
• Employer	<b>Ilia State University. Faculty of Engineering. Institute of Earth Sciences</b>
• Rank/Position held	Full Professor. Director of the laboratory of Reconstruction of Paleoenvironment. Head of the Archaeological Direction at the University.

- Dates (from – to)
- Employer
- Rank/Position held

#### Since 2014

#### Ilia State University. Faculty of Engineering. Institute of Earth Sciences

Full Professor. Director of the laboratory of Reconstruction of Paleoenvironment. Head of the Archaeological Direction at the University.

#### SYMPOSIAS AND SEMINARS

1. 1989. Reunion del Cuaternario Iberico. Facultad de Ciencia Geologicas Universidad Complutense.. Madrid
2. 1990. Chronostratigraphy of Paleolithic of North, Central and East Asia and America. (International simposium), Novosibirsk.
3. 1990. International Conference "Human and Nature". Kutaisi, Georgia
4. 1995. XIX International Congress INQUA. Berlin
5. 1998. Archaeological Conference of Caucasus. Tbilisi. Georgia
6. 1998. Archaeological Meeting of Caucasus. Tbilisii
7. 1998. Scientific Meeting (USSR) "Human and Nature". Tbilisi
8. 2000. Congress. *Les Premiers Habitants de l'Europe*. Tautavel
9. 2002 Scientific Meeting for the 150 years Anniversary of Georgian National Museum
10. 2002. Scientific Meeting. Problems of the Culture and History. Tbilisi.
11. 2007, 2010. Presentations and lectures in Paris (Institute de Paleontologie Humain).
12. 2009. 15th Annual Meeting of the European Association of Archaeologists Riva del Garda, Trento, Italy, 15-20 September, 2009. Symposium: Up-dating the Reasoning on Middle to Upper Palaeolithic Biological, and Cultural Shift in Eurasia
13. 2009, Workshop "The Neanderthal Home: Spatial and Social Behaviours" Tarragona, Spain
14. 2009. Presentations and lectures in BP Head Office. London, Great Britain
15. 2010. RESET (RESponse of humans to abrupt Environmental Transitions) Conference. Salerno, Italy
16. 2012. Symposium for UISPP Commission 8 "Upper Palaeolithic". Liege, Belgium
17. Since 2003 . INQUA, SAA da UISSP Congresses, Symposiums, annual Meetings in Beejing (China), Montreal (Canada), Denver (USA)r, Riva del Garda (Italy) etc.
18. 1992-2011. Annual scientific conferences of Georgian National Museum
19. 2008-2012. Annual scientific conferences of Ilia State University
20. 2011. N. Tushabramishvili. Hominid-Cave Bears Interactions by the materials of the caves of Western Georgia. International Congress. Hominid-Carnivores Hominid-carnivore interactions during the Pleistocene. Salou, Spain.
21. 2012. UISPP Symposium. UISPP, Commission-8, "Upper Palaeolithic". Liege, Belgium
22. 2013. UNESCO-IUGS-IGCP-INQUA. INQUA 501 - IGCP 521 Six Plenary Meeting IGCP (International Geoscience Programme) 610

- “From the Caspian to Mediterranean: Environmental Change and Human Response during the Quaternary”. The member of Organizing and Executive Committee
23. 2013. The role of the Southern Caucasus on early human evolution and expansion – refuge, hub or source area?”. International Conference. Tbilisi, Georgia
  24. 2013. European Society for the study of Human Evolution (ESHE). 3-rd Annual Meeting. Vienna. Austria
  25. 2014. XVII World UISPP Congress. Burgos, Spain
  26. 2014. European Society for the study of Human Evolution (ESHE) 4. Florence, Italy
  27. 2014. 15<sup>th</sup> EAC (European Archaeological Council) HERITAGE MANAGEMENT SYMPOSIUM. Amersfoort. Netherlands
  28. 2016. „COBERM“, „A Joint EU-UNDP Initiative“, Macedonia
  29. 2016. Raw materials exploitation. . EGU 2016. IGCP. Vienna
  30. 2016. ESHE-European Society of Human Evolution 5). 6-rd Annual Meeting. Madrid. Spain
  31. 2016. "Homo erectus 100+25 : Dmanisi and 100+25 years of Homo erectus. " /International Senckenberg Conference
  32. 2017. SIMR - Shiraki International Multidisciplinary Research. Changes in Paleoenvironment and its influence of Human, Training/Workshop. Board member
  33. 2017. January. “COBERM“, „A Joint EU-UNDP Initiative“, Erevan. Nikoloz Tushabramishvili, Paleoenvironment and cultural heritage in the South Caucasus (On the example of archeology)
  34. 2017. September. European Union COBERM. A Joint EU-UNDP Initiative. I conference-“ State, problems and challenges of cultural and archaeological heritage”, Yerevan, Armenia. Continuation of the discussion of scientific approaches for assessing the state and needs of cultural heritage
  35. 2017. Council of Europe. Third training session on “Modern Approaches to Museum Management for professionals coming from Tbilisi, Sukhumi and Tskhinvali”. Rome, Italy
  36. 2017. UNESCO. Caspian to Mediterranean: Environmental Change and Human Response during the Quaternary (IGCP 610)
  37. 2018. ESHE, FARO (Portugal)
  38. 2018. “Caucasus on the Path of Human Migrations in the Lower Paleolithic”, Baku. May 2-6, 2018;
  39. 2019. 3-rd Conference “World of Gravettian Hunters”, Krakow ;
  40. 2023. Georgia Historical Ice-Core Project (GHICP) Workshop: Pilot publications and next stages. Workshop. Iliani, Tbilisi, Georgia;
  41. 2023. Horizon DOORS - 'Developing Optimal and Open Research Support' for the Black Sea. Developing Optimal and Open Research Support for the Black Sea Agenda 3 rd General Assembly of DOORS Project Venue: Karadeniz Technical University Rektörlük, 61080,

Trabzon, Turkey June 13-15, 2023

42. 2024. Horizon DOORS - 'Developing Optimal and Open Research Support' for the Black Sea. Batumi, Georgia

## SCIENTIFIC PROJECTS

2023-2024. Horizon DOORS - 'Developing Optimal and Open Research Support' for the Black Sea. Member;

2021- 2024. ERC. MAPPING THE REPLACEMENT OF NEANDERTALS BY EARLY MODERN HUMANS USING MICRO-CONTEXTUALIZED BIOMOLECULES, ; Co-director in Georgia;

2022. Leakey Foundation. Mill(e)-Stones: Ground stones and plant food processing during the MIS 3 in the Caucasus. A Microarchaeology approach to the study of the “Starch Food Niche” colonization at the dawn of modern humans into (western) Eurasian boreal latitudes

2021. Dating of « Undo Cave » and Students Practice: Teaching with Research ". Ministry of Culture, Sports and Youth of Georgia. Director

2021. Dating of the cave, "Undo-1" and research by modern methodologies. Ilia State University. Director

Since 2021 Head and Participant in the International Genetic Research Project (Ilia Stae University- Max Planck Institute, Lundbeck Center for Genetic Research, Copenhagen)

2019. Navigation in Georgia and Maritime Museum, Ilia State University. Director

2015-2017. GNSF (Shota Rustaveli National Science Foundation). Archaeological Encyclopaedic Dictionary of Stone Tools. Director

2014. Multidisciplinary Research of Undo Cave in Western Georgia. Co-director. Ilia State University, Science Foundation of Ireland (SFI)

2014. International Researches of Bondi Cave. Ilia State University, MuséumNational d'Histoire Naturelle, Paris. Director

2012. Human Beings and the Environment. Adaptation of Human Being and Fauna toward Climate Change on the Basis of Multidisciplinary Researches of “Undo Cave” of Western Georgia Since Paleolithic until Present Days. Foundation « Open Society Georgia ». Director.

2010-2012, 2014. Lower to Middle Paleolithic Transition in Sothern Caucasusand Eastern Europe. Ilia State University, The French Ministry of Foreign Affairs. Co-director

2012. The Rustaveli Foundation travel grant to participate in the Symposium

for UISPP Commission 8 "Upper Palaeolithic". Liege, Belgium

2011 to present. International Project of research of Bondi Cave (Ilia State University, Tbilisi, Georgia and the Muséum national d'Histoire Naturelle, Paris). Director

2010-2011. The Evolutionary History of Neanderthals and Their Potential Interface with Early Modern Humans in the Southern and Northern Caucasus. Ilia State University, Science Foundation of Ireland (SFI). Co-director

2010. International Project of excavation in Undo Cave. Ilia State University-Georgian National Museum-Cork University (Ireland), Director

2009-2010 Science Foundation of Ireland (SFI) project : The Evolutionary History of Neanderthals and Their Potential Interface with Early Modern Humans in the Southern and Northern Caucasus (Co-director)

2009-2010. RESET project (RESpone of humans to abrupt Environmental Transitions). Natural History Museum, London; Oxford University. Great Britain.

2009. Urgent, salvage Archaeological Excavations in Khovle. USA Embassy.

2008. Salvage Archaeological Excavations in Khovle. USA Embassy

2004-2007. The Middle to Upper Paleolithic Transition in Georgia. The Georgian State Museum's Task Programme. Director.

2006-2007. The Research of Paleolithic Sites in Western Georgia. Foundation "Qartu". Director

2006-2007. Lower to Middle Paleolithic Transition in Southern Caucasus and Eastern Europe. Georgian State Museum, Natural History Museum of France, Institute de Paléontologie Humaine, Paris. Director

2008-2011. Final Lower Paleolithic and Early Middle Paleolithic and Middle to Upper Paleolithic Transition in Southern Caucasus. (Ilia State University, Natural History Museum of France). Director.

2002-2006. The Director of the Project of Georgian Academy of Sciences "The Local Cultures and the Paleo-ecology of Lower- Middle-Upper Paleolithic Transitional Period of Georgia.

2002-2003. International Project –Middle to Upper Paleolithic Transition on the territory of Europe (Bronze Cave and Paleoenvironment) with

Universidad Rovira I Virgili (Tarragona,Spain), Universidad de Valladolid (Spain) and Institute de Paléontologie Humaine and Centre National de la Recherche Scientifique. Director.

2002. INTAS Project. Archaeological Research in the caves of the Western Georgia, Tsutskhvati multistaged cave system-Middle Paleolithic Cultures and Dating. (with the Institute de Paléontologie Humaine and Centre National de la Recherche Scientifique).

2001. The Director of the project “International Expedition in the Caves of Tsutskhvati” (Georgia, USA, Israel, Spain, France). “New Georgian Foundation”. Director

2000-2004. Middle and Upper Paleolithic of Western Georgia. Georgian Academy of Sciences. Director

1999. Foundation-Open Society “Georgia: project-“Summer school for the students of Tbilisi State University in the International expedition (Caves of Western Georgia).Director.

1997-2006. International Project «Research of Paleolithic in the Western Transcaucasica ». The International expedition in Western Georgia (Georgian National Museum, Harvard University-USA, Hebrew University-Israel). Director.

1997-1998. Paleolithic Cave-sites of Tsutskhvati Multi-staged Cave System. Academy of Sciences of Georgia. Director

1993-2006. The Researches of Paleolithic in the Caves of Western Georgia. The Projects of Academy of Sciences of Georgia, Georgian State Museum, Director

**OTHER ACTIVITIES AND MEMBERSHIP**

1. 2023. Reviewer for the monograph: Dynamics of paleoclimate and adaptation models in the middle and upper Paleolithic of the Northwestern Caucasus Saint-Peterburg;
2. 2020. Editorial board member of the international refereed scientific journal “South Caucasus, Archaeological Context”, N 1, National Agency for Cultural Heritage Preservation of Georgia. Crossref ;
3. 2017-2022. Member of the Editorial Board of the Scientific Journal "Archaeospectrum". Publication of the National Agency for Cultural Heritage Preservation of Georgia
4. 2018-2022. Member of the editorial board of the series "Archaeoland" of children's educational books. Publication of the National Agency for Cultural Heritage Preservation of Georgia

5. 2015-2022. Member of the editorial board of the Scientific Journal "Online Archeology"
6. Since 2017. Editor of the Scientific-Popular Journal "Argveti Country";
7. Since 2009. The member of the scientific board of the Faculties of Ilia University;
8. 2003. Reviewer of the monograph: Culturology 1.TSU.
9. Since 2012-2014.. The member of the scientific board of the Faculty of Engineering
10. Member of the Scientific Editorial Board for the Journal- Prehistorian Sciences, Paleobiology. Georgian National Museum.
11. The Journal of the Georgian National Museum "Moambe", Series of Prehistory. The member of Editorial Board
12. 2002-2009. The Head of the Association "The Specialists of the Old Stone Age".
13. Since 2004. Member of the Association "Archaeo-Astronomy";  
Invited lectures delivered at foreign universities and research institutes:
14. 2016. Warsaw University, Poland;
15. 2015. Masaryk University, Brno, Czech Republic;  
1.
16. 2010. Musee d' Histoire Naturelle. Institut de Paleontologie Humain.  
Inviting Professor;  
2.
17. 2009. *Presentation and lecture about BP and Cultural Heritage of Georgia at BP*  
3. Head Office. London,  
Great Britain;
18. 2006. Musee d' Histoire Naturelle. Institut de Paleontologie Humain.  
Inviting Professor;

1. 2021. Nikoloz Tushabramishvili, Tornike Mkalavishvili. Undo Cave. Ilia State University, Ministry of Culture, Sports and Youth of Georgia. Georgian-English;
2. 2019. N.Tushabramishvili, (O. Japaridze). Paleolithic of Georgia. Georgian History, Series of the “History of Georgia” (4 tomes). Academy of Sciences of Georgia. vol.1.Chapter II, pp. 14-25; In Georgian;
3. 2019. Gvardjilas Klde Cave in Georgia. Celebrating the Centennial of Polish Archaeologist Stefan Krukowski’s Research. Małgorzata Kot, Wojciech Brzeziński, Nino Jackeli, Stefan Karol Kozłowski, Karol Szymczak, Aleksander Otcherednoy, Nikoloz Tushabramishvili, Radosław Karasiewicz-Szczypiorski. Warsaw. Pp. 2-383;
4. 2019. N. Tushabramisvili, M.Jalabadze. Neolithic, Archaeoland № 3, “Sezani”Publish house, Tb., pp. 1-52; Georgian, English;
