**-iT aRniSnulia impaqt-faqtoriani Jurnalebi

- [1]. Aliashvili, T. *Representation of numbers by one quadratic form of type (-7, 7, khi)*. University Conference. Abstracts. Tbilisi Univesity. Tbilisi, 27-30 Apr.1977.
- [2]. Aliashvili, T. Shavgulidze, Q. *Representation of natural numbers by two quadratic form of fourteen variables*. Conference of Higher Education Institutions of Georgia. Abstracts. Sokhumi,18-20 Nov. 1977.
- [3]. Aliashvili, T. *Representation of numbers by two quadratic form of type (6, 5, khi)*. University Conference. Abstracts. Tbilisi University. Tbilisi, 27-29 Apr.1978.
- [4]. Aliashvili, T. *Algebraic prove of divisible theorem for formal series*. Scientific conference of universities of Kirgistan. Abstracts. Frunze, 26-28 Apr. 1979.
- [5]. Aliashvili, T. *Algebraic prove of divisible theorem for power series*. Scientific conference of Higher Education Institutions of Georgia. Abstracts. Tbilisi, 10-12 May 1979.
- [6]. Aliashvili, T. *Normal forms of stable mappings in the plane*. Scientific-methodical conference mathematicians of higher education institutions of Georgia. Abstracts. Telavi, 9-12 Nov. 1983.
- [7]. Aliashvili, T. *Homotopy groups of Winer-Hoff real operators*. 9-th conf. of mathematicians of high education institutions. Abstracts. Kutaisi, 28-30 May, 1986
- [8]. Aliashvili, T. Kvachantiradze,E. *Nekotorie krivye, kharakterezujushie produktivnost' rastenij*. Informacionnoe pis'mo. Gruz. respub. uprav. po gidrometeorologii N1, p.121 (1988).
- [9]. Aliashvili, T.M. *Uniformization of plane curves and the two-dimensional Jacobian conjecture*. (Russian) Bull. Georgian Acad. of Sci. 136, No.3, p. 533-536 (1989).
- [10]. Aliashvili, T. *On the uniformization of some pairs of functions of three variables*. (Georgian) Bull. Georgian Acad. of Sci. v.138, No.3, 473-476 (1990).
- [11]. Aliashvili, T. *On the estimation of root number of a polynomial endorphism over a real closed field*. Bull. Georgian Acad. Sci. v.148, no.1, p. 32-35 (1993).
- [12]. Aliashvili, T. *On the root number of real polynomial endomorphism*. Candidate Thesis, pp.110,Tbilisi University, (1994).
- [13]. Aliashvili, T. *On the topological degree of polynomial endomorphism of an affine space*. (Russian) Proc. A.Razmadze Math. Inst. 104, 11-25 (1995).

- [14]. Aliashvili, T. *Signature method for counting point in semi-algebraic subsets*. Bull. Georgian Acad. Sci. 154 , No.1, 34-36 (1996).
- [15]. T. Aliashvili: *Signature method for counting point in semi-algebraic subsets* (poster). New Developments in Singularity Theory. A Nato Advanced Study Institute, EC Summer School and Workshop ISAAC NEWTON Institute for Mathematical Sciences. University of Cambridge, Cambridge, UK, July-August, (2000).
- [16]. Aliashvili, T. *Euler Characteristic* . Soros Educational Journal (ISSEP) Part I. N3, 3-16 (2001).
- [17]. Aliashvili,T. *On the root number of real polynomial endomorphism*. Georgian 3-rd congress of mathematics. Abstracts. Tbilisi, 11-13 Oct. (2001).
- [18]** Aliashvili, T. O chislennykh invariantakh polinomial'nykh endomorfizmov. (Russian) Itogi Nauki i Tekhniki, Seria Sovremennaya Matematika i Ee Prilozheniya. Tematicheskie Obzory.Vol. 103, 3-24. Complex Analysis.Viniti, Moscow (2002).
- [19]. Aliashvili, T. *Euler Characteristic*. Soros Educational Journal (ISSEP) Part II. N1, p.3-14 (2002).
- [20]. T. Aliashvili: *Counting topological invariants of random polynomials* .
Banach center symposium: Geometry and topology of caustics. "CAUSTICS – 02" Banach Center, Warsaw, Poland, 17-19 June, 2002.
- [21]. Aliashvili, T. *Stable planar endomorphisms in random setting*. Proc. of the Institute of Cybernetics Vol.2 , N1-2, 3-12 (2002).
- [22]. Aliashvili, T. *Euler Characteristic*. Soros Educational Journal (ISSEP) Part III N2, p.3-13 (2002).
- [23]. T.Aliashvili: *On the fibers of real polynomial endomorphisms*. ISAAC Conference on complex analisis, differential equations and related topics. Yerevan State University, Armenia, 17-21September, Abstracts. Yerevan, p.4,(2002).
- [24]* Aliashvili, T. *Counting real roots of polynomial endomorphisms*. J. Math. Sci. v.118, N5, 5325-5346 (2003).
- [25]. Aliashvili, T. *On invariants of random planar endomorphisms*. Bull. Georgian. Sci., 168, N1, 13-16 (2003).
- [26]* Aliashvili, T. *Counting points of semi-algebraic subsets*. Topics in Analysis and its Applications. Nato Science Sereis, Vol. 147, 149-163 (Kluwer 2004).
- [27]. Aliashvili, T. *On the fibers of real polynomial endomorphisms*. Proc. ISAAC Symp. (submitted)(2004)
- [28]** Aliashvili, T. *On invariants of random planar endomorpisms*. Polish Academy of sciences, Institute of Mathematics. Banach Center Publications, vol.62. p.19-28 (Warszawa 2004).
- [29]** Aliashvili, T. *Comlpex points of two-dimensional surfaces* . Georgian Mathematical Journal, Vol.11. No.4, 603-611 (2004).

- [30] Aliashvili, T. Khimshiashvili, G. *Intersections of quadrics and integrable systems*. Proc. of the Institute of Cybernetics. Vol.3, N1-2, 63-73 (2004).
- [31] Aliashvili, T. *O chisle kompleksnykh tochek poverkhnosti v C^2* . (Russian) Contemp. Math. and appl. Vol.15, p.14-29. Teoriya Funktsii, (2004).
- [32] Aliashvili,T. *On Topological Invariants of Polygonal Random Knots*. Bull. Georgian Acad. Sci. 172, N1, 13-16 (2005).
- [33]. Aliashvili, T. *On the topology of proper quadratic mappings*. Georgian 4-th congress of mathematics. Abstracts. Tbilisi, 14-16 Nov. (2005).
- [34] Aliashvili, T. *On the Topology of Fibres of Proper Quadratic Mappings*. Bull. Georgian Acad. Sci. 172, N2, 179-181 (2005).
- [35]** Aliashvili, T. Khimshiashvili, G. *Holomorphic dynamics in loop spaces*. J. Dynam. Control Systems, Vol. 12, N1, 33-48 (2006).
- [36]* Aliashvili, T. *Counting Complex Points of Surfaces in C^2* . J. Math. Sci. v.132, N6 (2006).
- [37]** Aliashvili, T. Khimshiashvili, G. *On Euler Characteristic of the Intersection of Quadric*. (Russian) Uspekhi Matem. Nauk v.61, N3, 161-162 (2006).
- [38]** Aliashvili, T. Khimshiashvili, G. *On the Topology of Fibres of Stable Quadratic Mappings*. (Russian) Doklady RAN v.408, N1, 1-3 (2006).
- [39]. Aliashvili, T. *Algebraic methods of computing topological invariants of real polynomial mappings*. Doctor Thesis. Tbilisi University, pp.251, (2006).
- [40]. Aliashvili, T. *Geometrja i topologija sobstvennikh polynomial`nykh otobrazhenii* (Russian) Contemp. Math. and appl. v.61 (2008).
- [41]. T. Aliashvili, E.Elerdashvili: *Circular configurations of quadrilateral linkages*. (poster)
Fifth European Congress of Mathematics, Amsterdam RAI, The Netherlands, 14-18 July, (2008).
- [42]. Aliashvili, T. *Complex points of two-dimensional surfaces*. International Conference on Modern Problems in Applied Mathematics. Dedicated to the 90-th anniversary of Iv. Javakhishvili State University and 40-th anniv. of the Foundation of I.Vekua Institute of Applied Mathematics. Abstracts. Tbilisi, Georgia, 7-9 Oct.(2008).
- [43] Aliashvili, T. *Complex points in compact surfaces*. Proc. I.Vekua Inst. of Appl. Math. v.58.(2008)
- [44]. Aliashvili, T. *Complex points of random surfaces*. Enlarged Sessions of the I. Vekua Institute of Applied Mathematics. Abstracts. Tbilisi, Georgia, 22-24 Apr. (2009).
- [45]* Aliashvili, T. *Geometry and topology of proper polynomial mappings*. J. of Math. Sci. Vol. 160, N6. p.679-692 (2009).
- [46]. Aliashvili, T. *Complex points of random surfaces*. Accepted for publication in Proceedings of I.Vekua Institute of Applied Mathematics.(2009).

- [47]. Aliashvili, T. *Topological invariants of random polynomials*. 1-st International Summer School and Conference – “New Trends in Geometry and Topology”. Abstracts. Batumi, 24 aug - 2 sept.(2009).
- [48].Aliashvili, T. Counting *complex points of surfaces*. Fifth Congress of Mathematicians of Contributed Talks. Abstracts. Batumi / Kutaisi, 9-12 Oct. (2009).
- [49]. Aliashvili, T. *Complex points of random surfaces*. Reports of Enlarged Sessions of the Seminar of I. Vekua Institute of Applied Mathematics. Vol. 35. p.26-30.(2009).
- [50]. Aliashvili, T. *On the Euler characteristic of the fibres of proper quadratic mappings* (poster). Joint Mathematics Meeting, San Francisco, CA, USA, 13-16 Jan. (2010).
- [51]. Aliashvili, T. *On the Euler characteristic of an intersection of quadrics*. 24-th Enlarged Sessions of the I. Vekua Institute of Applied Mathematics. Abstracts. Tbilisi, Georgia, 21-23 Apr. (2010).
- [52]. Aliashvili, T. *On the Euler Characteristic of an Intersection of Stable Quadratic Mappings*. 25-th Enlarged Sessions of the I.Vekua Institute of Applied Mathematics, Tbilisi, Georgia, Apr. (2011).
- [53]. Aliashvili, T. *Topology of the Fibres of Proper Quadratic Mappings*. Book of Abstracts, Georgian Mathematical Union, Tbilisi, 2011, p.69. Second International Conference of Georgian Mathematical Union, Batumi, Georgia, 15-19 September,(2011).
- [54]. Aliashvili, T. *Euler characteristics of the intersection of stable quadratic mappings*. Reports of Enlarged Sessions of the Seminar of I. Vekua Institute of Applied Mathematics. Vol. 25.(2011).
- [55]. Aliashvili, T. *Complex points and isolated singularities*. 26-th Enlarged Sessions of the I.Vekua Institute of Applied Mathematics. Abstracts.Tbilisi, Gergia, 23-26Apr. (2012).
- [56]. Aliashvili, T. *On the Euler characteristic of the fibres of stable quadratic mappings* (poster). Joint Mathematics Meeting, San Diego, CA, USA, 9-12 Jan. (2013)
- [57]. Translation of the book “ A. Agresti, C. Franklin, Statistics: The Art and Science of Learning from Data”, Third Edition, Pearson, (2014).
- [58]. Translation of the book “S.B. Vardeman, J.M. Jobe, Basic Engineering Data Collection and Analysis”. Duxbury, (2015).
- [59]. Aliashvili, T. *On topology of proper quadratic endomorphisms*. Abstracts. Caucasian Mathematics Conference (CMC – II) – Van, Turkey, August 25-26, (2016).
- [60]. Aliashvili, T. *Topological Invariants of Random Polynomials*. Abstracts. 7-th International conference of Georgian mathematical society, Batumi, Georgia, Sep. (2016).
- [61]. Aliashvili, T. *Topological invariants of random polynomials*. Bull. Georgian National Acad. of Sci. v.10, no.4, p. 7-12 (2016).

- [62]. Aliashvili, T. *On the Complex Points of Random Polynomials*. Bull. Georgian National Acad. of Sci. – to appear (2017).
- [63]. Aliashvili, T. *On topological invariants of semi-algebraic subsets*. Scientific Conference of Department Topology, Algebra, Analysis and Applications. Abstracts. Batumi, Georgia, 12-16 February, (2018).

II. Text book (in Georgian)

- [64]. Aliashvili, T. „*Mathematics*” (for students of humanitarian specialities). (With Natroshvili, D. Sadunishvili, G. and Shubladze, M.) (Georgian). Tbilisi (2000).
