MAIN AREAS OF ACTIVITY

DESIGN OF HYDRAULIC STRUCTURES

Applied Mechanics | Fluid Mechanics | Engineering Mechanics | Strength of Materials | Geotechnics | Reinforced Concrete Structures | Steel Structures | Detailed drawings | Computer Modeling

WORK EXPERIENCE

Assistant Professor

September, 2025 – Present

Major Responsibilities: *Conducting Lectures*

Ilia State University

(ილიას სახელმწიფო უნივერსიტეტი)

Head of Laboratory Spaces

February, 2025 – Present

Major Responsibilities: *To ensure the effective operation of civil engineering laboratories and the setup, maintenance, and storage of the equipment located in them; To assist students and academic staff in using the equipment (including the development and delivery of training courses), etc.*

Ilia State University

(ილიას სახელმწიფო უნივერსიტეტი)

Invited Lecturer

March, 2025 – July, 2025

Major Responsibilities: *Conducting Lectures*

Ilia State University

(ილიას სახელმწიფო უნივერსიტეტი)

Major Responsibilities: *Projecting of the Hydraulic Structures*

Gross Energy Group LLC

(შპს გროსს ენერჯი ჯგუფი)

EDUCATION

Degree of Master of Construction Engineering in Specialization of Construction Fluvial Hydraulic Engineering

2016 – 2018

Faculty of Civil Engineering

Georgian Technical University

Degree of Bachelor of Engineering in Construction

2011 – 2015

Faculty of Civil Engineering

Georgian Technical University

LANGUAGES

GEORGIAN (NATIVE)

ENGLISH - B2

GERMAN - B2

RUSSIAN - C1
